

1987: Wen & Jinah Barker's wedding party with ushers Joe Henderson and Jim Yacone, Jul 90

their original 10 Nov 90 date. Tim's in B/11/187 Inf, 3rd Bde, 101st Abn Div.

If you noticed something different about this article, it's because your scribe, **Wayne**, was deployed to Saudi Arabia 30 Dec 90, and he asked his mother to take charge of this col. I would appreciate hearing from the Class offs about their writing this col until Wayne returns. Wayne's in 4/66 AD, 3ID, which went with the 1st AD. We wish all our classmates and soldiers a safe return home. Send mail to Wayne's home address: 944 Dixiana Domino Rd, Lexington, KY 40511.

1988: The new Martinez family

Since half of the Army is in SWA now I can assume that half of our classmates are too. I have received about 5 ltrs from the land of sand or from classmates destined to go there. If you can find the time, write me a ltr. Assuming that **Cathy & I** are not there when the next issue is due, then I will add a few comments for you.

Now for the newest mbrs of the Class. **Dave & Lisa Martinez** welcomed Andrew Gregory into the world on 22 Mar 90 (happy belated birthday, Andrew). **Mary Jane Snair** sent this pic of **Scott**, Patricia and his newest little one Katherine Jane, born 26 Jun 90. **Scott** left for SWA the day this pic was taken. **Sean & Amy Lewis** brought Isaac Mathew into the world on 19 Nov 90. Unfortunately, Sean had deployed to SWA a few days before.

Enter the land of matrimony. Sean Granger married Grace Marie Farwell

1988: How about that. . .

on 8 Apr 90 in LaCanada, CA. Sean is a 3rd yr med student at Southern CA Sch of Med and is thinking about pursuing a career in orthopaedic surgery. **Bob Watson** married Angela Payne on 26 May 90 in Durango, CO. Sean Lewis, Mark Freitag and Thomas Earls were in attendance. The two honeymooned in Club Med. **Dave Dyluzyn** married Silke Dzek on 27 Nov 90 in Ger. Congratulations to you all.

Be it known that **Doug Fraley** has returned triumphantly from his tour at

Oxford and has finally completed IOBC. Way to go, Doug! **Paul Hurley** is now at Ft Jackson making new soldiers out of civs. **Jack Peak** got his wish to be close to home and is now recruiting in Cleveland, OH. **Michelle Matthes'** parents sent the famous "reunion in the desert" photo of Michelle and Cecilia Knecht to me. When

last heard from, both were doing fine. **Mike Hawn** has made yet another ASSEMBLY article. Mike was yanked from our bn and sent with a USAREUR LRSD unit to SWA. Take care, Mike.

That is all for now; stay safe and keep in touch.
