1987: Alexandra Underwood in "old grad" defilade

Just received a "double-knot-spy top-secret" message from Wash. I can't publish the one from Mr Cheney so here are excerpts of a ltr from. . . **Chris Heberle!** That's right, after a successful stay in the SC and a nice vacation to the desert last yr, she was scarfed up by a mgt consulting firm in Wash. She apparently does all kinds of neat stuff with the White House Communications Agency and just about every govt dept in Wash. She would like to apologize to **Karen Haddock** for that unfortunate argument that they got into a few yrs ago. Hey Karen, how about writing her at 9772 High Water Ct, Burke, VA 22015? She would love to hear from you. Finally, she wishes everyone good luck and hopes to see as many of you as possible at the reunion next fall!

**George Thompson** wrote to offer his sves for the reunion prep. Thanks. He is a constr engr for the chemical plastics div of Mobil Oil in Shawnee, OK. Presently (now catch this) he is running a 20k expansion project that makes plastic from old candy wrappers. He was visited last fall by **Robert Tuscano (H-4)** and **Darrin Rodeschin (B-2)**. Robert and George threw down at Shawnee's one and only "honky-tonk"—Cowtowns. Darrin came rumbling into town from Ft Leonard Wood strapped to his brand new Harley. Together, he and Darrin threw a big BBQ for his workers who hadn't had a day off in 4 wks. That's it, guys—takin' care of the trps! Thanks for offering to help with the reunion and good luck, George.

**Mark Pincoski** was married to **Gloria Foss** on 13 Jul 91! So lots of folks get married, right? Yes, but how many get married after dating for 4 yrs, 3 yrs of which were long distance? Hats off to the both of you. Mark finished his tour with the 25th ID in III on 3 Jul 91, and Gloria finished a yr of studying in London to finally make it happen in Hollis, ME. **Tom Lavender** made the wedding trek from Tacoma, WA and served as a groomsman. Unfortunately, Tom's wife **Gina (Klien '88)** was still in Sandi at the time. After the wedding and honeymoon

in the Pocono Mtns, **Mark & Gloria** hit the road to do some first-rate visiting. They saw **Rich Ast** at Ft Lee. **Hilda** was attending QMOAC, so Rich made the trip from IOAC to visit her and one-yr-old **Allie**, and the Pincoskis. **Mark & Gloria** also visited **Chuck & Carol Kibler** in Greenville, NC. Chuck got out of the Army in Jun 90 and is doing great. Mark met a large '87 contingent at ADAOAC last Aug, including **Jeff Plante**, **Brian Johnson**, **Chris Johnson**, **Matt Quinn**, **Kevin Turner**, **Alan Craft**, **Joe Simonelli** and **Dennis Young**. **Jeff & Sharon Plante** and **Mark & Gloria** made it out to CO for the Army team's unfortunate thrashing by the Falcons. Mark was scheduled to arrive at CAS<sup>3</sup> in Mar 92 after rep as the S-1 2-14th ADA, 101st Abn Div. CONGRATS!

1987: Gloria & Mark Pincoski, 13 Jul 91

**Jim Garrett** spent a large part of 91 helping the Nurnberg Community protect against the terrorist threats and monnds of family issues associated with Desert Storm. His unit, 2-6 IN, also spent a large hunk of time tug the IRR at Graf, as replacements for Sandi. Since then Jim has successfully petitioned orders for AVOAC and Flight Sch, beginning in Apr 92. He spoke with **Dave Fee**, who also transferred from IN to be a daredevil. . . I mean pilot. His classmates included **Paul Digeronimo**, **Ron Lewis** and **Mike Nerstheimer**. He also saw **Dale Willis**, who is with a local Rucker EN unit. He spent some time with **Bernie Banks**, who transferred from Arty to fly choppers. They both plan to remain at Rucker (Enterprise, AL) at least through the summer. For more Rucker info, write **Jim** at F Co, 1-13 Avn Regt, 1st Avn Bde (AA) Ft Rucker, AL 36362-5082. As of Jan 92, **John Tien** & his wife were living in Erlangen, Ger. John was excelling as the 4-70 AR S-1 after completing his stay at Oxford and as the unit's SCT PL. **Courtney Billington** & his wife are living in Cincinnati, OH;

he's with the Ethicon Div of Johnson & Johnson. Their first child, **Courtney Lance**, will be two yrs old in Jun. **Stewart Fearon**, as mentioned last fall, married **Brenda**. He currently works as the mil counterpart to a civ corp in CA while **Brenda** finishes sch. **Dave & Luanne Hilburn** are in GA as **Dave** finishes up IOAC before they head for Ft Bragg. **Paul Jaselskis** got out of the Army, went back to sch, married (back into the Army) **Chris (LT in Finance Branch)** and is seeking entrance into med sch from Ft Dix. **Matt Jennings** finishes med sch in May 92 and joins us back in the Army; **Jennifer** gave birth to **Melissa Lauren** on 24 Sep 91. I have up-to-date addresses from Jim for all of these folks. Please feel free to ask. Jim, thanks for updating us on so many of our "long-lost" friends.

I didn't forget you, **Becky**. Last but not least, I received a ltr from **Becky (Troster) Yacone**. In Apr 91 she & **Jim** finally returned from Korea for AVOAC. She recently spoke with **Wen & Jinah Barker** who are at Ft Bragg. A trip to Columbus, GA netted a visit with **Steve & Debbie Reed**, **John Friedland** and **Joe Felter**. John is attending med sch while Joe is finishing IOAC before going SF. She has also bumped into **Steve & Lynn ('86) Johnson**, **Kurt Greene** and **Gary Reider** at Ft Rucker. **Jeff & Laurie Huisinger** jumped from FA into the AV ship, and **Jeff** is at flight sch. **Bill Scholl** is married! Since moving to Ft Eustis **Becky** has seen **Jeannie & Paul Ives** with their baby. **Carl Muller** is at Eustis taking the Maint Test Pilot Course with **Becky**. She heard that **Mike & Lynn (Sprague) Pratt** are at AVOAC and shared a dandy promotion with **Dave Fee**, **Paul DiGeronimo**, **Jim Garrett** and **Ron Lewis**.

Thanks, and until next time—keep making it happen!

Anyway, if you are down around Amador anytime soon, stop by and say "hi." Not to spend this time totally alone, however, **Ken**, **Karen** and **Kalvin Goodlow** are spending their last daze in the Army right here in my house. We wish them luck.

And some more news about our exciting classmates. **Scott Snair** is now **Mr Snair** and making a bazillion dollars up in Baltimore. **Scott** has graciously consented to be our Reunion chm and volunteers the following info: The reunion is scheduled for Homecoming Wknd (15-17 Oct 93). The football opponent is

In other news, **Mike Noble** wishes to send all of you war vets his sincere thanks for protecting his esteemed birth place, Dhahran, Saudi Arabia. **Ed Struzik** sends this pic of the third annual (since he's been there anyway) 559 Eng Bn A-N party.

1988: Five grads at the Game party

Ed is the goofy one catching flies. **Bob Watson** sent some Hoo-ah pics of him and **Tom Earls** in beautiful Ft Sill, OK, home of the FA and the institution that holds the lien on my car.

1988: It could have been a nice view. . .

Bob also writes that his new bn has more '88 grads than the local transition point. **Troy Busby**, **Sandy Schlesinger**, **Marty Olson**, **Lee Walters**, **Pablo Mariano**, **Joe Marquert** and **Tom Shuler** are making the 3-471N a truly "No Task. . ." bn. **Jack Peak** bought a house in Parma and plans to settle there. **Kevin Carroll** is

Greetings to all 'Liners, mil and civ alike. I know a lot of '89 have bid farewell to Army Blue and donned civ casual; good luck to all of you who pursue business endeavors, and keep in touch.

Congrats to **Dave & Ann Ice**, who got married on 27 Sep 91 in Perrysburg, OH. **Doug Datka**, **Darryl Scherb**, **Steve Schulz**, **Jon Wildermuth** and **Tom Albanese '87** were ushers. By the time ya'll read this, **Dave & Ann** will be at Ft Sill as **Dave's** unit in Ger shut down. Thanks to **Dave's** mom for the nice ltr!

1989: Ann & Dave Ice, Sep 91

From the depths of lovely Ft Riley, **John Voorhees** has surfaced to announce his assumption of cmd of HHD/716 MP Bn in Nov 90. Hey, **John**, does that mean you will null and void our moving violations on Ft Riley? (. . . Well, it was worth a try!)

**Mike Klein** says "Hola, amigos" as he has departed HI (and the Army) and now sells "educational and environmental products" in Fernandina Beach, FL. With 25 ID, **Mike** worked with **Dave McVay**, **James Raymer** and **Bruce Kharinshak**. Now in the business realm, he has been in contact with **Fritz Hager**, who also is out and marketing pharmaceuticals. Don't worry **Mike**, I'll help you find **Tovarich**.

From the Pacific Theater, **Debbie (Wellington) Jordan** has just left Korea for the XIIIth COSCOM, Ft Hood. She & **Sean '90** got married last Jul at WP. Also from the Asian continent, **Natee Wongissares** says hello to all from the Inf Ctr in Prachin, Thailand. "Wonga" is still with 251D in HI.

In Italy, **Adam & Stacey Such** had their second daughter, **Emily Marie**, on 18 Sep 91. **Adams** writes that some guys have come to Vicenza as units in Ger deactivate. These include **Ron Hill**, **Jon Tellier**, **Kevin Pettit**, **Bruce Thorn** and **Doug Vinson**. After helping the Kurds out, these Abn guys ran into **Pete Janhunen** of 12th USAFAD and **Garth Estadt**, who is currently in Greece.
