Due to the lead time required for this column, it will undoubtedly take an issue or two before most of you can fill me in on the latest of your numerous achievements.

1986: Your scribe's FL work station. Unmanned due to important golf outing

1986: Your scribe researching his next novel. Long-distance with The Chicken Ranch in NV

Thus, enclosed are some of the last remaining photos from my stockpile. Make sure pix submitted are clear or ASSEMBLY cannot print them.

1986: Roy Tomlinson and Thatcher Shepard at John Shepard's wedding in AL

1986: Mark Lee and Stephen (2 +), Paris 92

1986: Rich McAdams '86, MAJ Alan Moore, Chris Recke, Kevin Kimzey '86, Dave Armstrong, Brooke Allen, Houston Bobo, Matthew Bobo and John Recke sing the blues

By the way, the beaches are at their peak right now. If you need a break from your traditional life, now is the time to hit Tampa. Blistering sun, glistening bodies, pure white sand and ice-cold refreshments are here waiting for you. Despite what Coze might have you believe about TX, nothing comes close to the Sunshine State.

See you soon, Bruce.

I hope you could attend the reunion. All is well with us, but we will soon be displacing to Ft Drum and I will be out of the net for a while. Cathy will write the next article.

Joe Chatfield is here at The Benning Sch for Boys. Joe spent a whirlwind tour throwing his money away on a new car and a house down here. He will be stationed here in the 24th ID after OAC.

Jeanne Lucey writes from CO. Jeanne is ending an AIT co for the Army's Combat Camera. Graphic Illustrators and TV Production at Lowry AFB. Jeanne's husband, Paul, is in cmd of B Co, 4th FSB, 41D at Carson. The latest addition to the Lucey family, Sarah, was born on 20 Jun 92.

1988: Jeanne, Paul and Sarah

Brian Mennes sent in this pic of rugby studs. The crew was down in Pensacola for the All Army Rugby Team during the last Interservice Tournament. No need to comment on the outcome of the tourney, but the parties were great.

Jeff Toomer wrote me a ltr (on WP ltrhead, no less) from the Academy's Admissions dept. Jeff, Darren Sumter and Mike East all have done a great deal of flying to educate the GAP about WP. All 3 should be heading to their respective OA's soon. Jeff also sent a pic of Ron Clark with his baby boy Matthew Phillip. Ron just finished his OA after a tour as an RI at Camp Darby.

John & Lynn Dorney had a busy 92. They returned from Ger in Jan 92, got out, got a job, bought a house, got promoted, transferred (follow me so far?), sold the house, now live in Green Bay,

1988: "So YOU want to go to WP?!"

1988: Ron and Matthew Clark

1988: Sarah, Lynn, John and Daniel

WI and found time to add Daniel James Dorney to the family.

Jay (Jump Ruckerman) Beckerman was last seen in the halls of Bldg #4, Ft Benning, wandering in a daze after the BN write for life. Where they are now? I have no idea.

1988: Cassandra & Clay Perkins

Clay Perkins is in Houston, TX, attending the Baylor Coll of Medicine. Clay tied the knot in Jul 92 with the lovely Miss Cassandra.

Keep writing. Cathy will have a new address for you in the next article.

Mary Masters rep: "This yr we held our first annual WP FD dinner on 2 Apr 93 at Joint Task Force Bravo, Soto Cano Air Base, Honduras. We had an incredibly great time. We invited Honduran grads of USMA, pictured nearby.

They say all that glitters is *not* gold. How true indeed; sometimes it's shiny new silver CPT's bars!! Congrats to all '89'ers who have pinned on the coveted tracks so far. "In the Army there's sobriety (right), promotion's very slow...."

First in the batting order is the Jordan family. Dan, Jeannine and daughter Chelsea (USMA 2014?) say hi from Ft Bragg. Dan is entering FLEP (Army Law Sch) at William & Mary this Sep and will become a JAG once he passes the bar exam in 96. Dan writes that they have seen Dave Warsaw, who was enroute to MIOAC at Ft Huachuca, and Greg Conti while on PCS leave

down from Ft Stewart. Best of luck to the Jordans.

1989: Jeannine, Chelsea and Dan Jordan

Rob Mitchell checked in from St Louis, MO, where he is a recruiter with Natl Chemsearch. The big news is that Pete Dunn got married. That's right, the F-4 Frogs got together and helped Pete celebrate. Pete was seen leading a Rocket Cheer,

1989: Pete Dunn leads a Rocket cheer at his own wedding

Helping Pete celebrate were Paul Krueger, Jason Stine, Mike Halpin, Pete Sullivan and Andy Stone. The Frogs sent out a call to Craig "Egghead" Young and want him to contact Rob Mitchell (681 M Hidden Pat Lane, St Louis, MO 63141). Sorry, Pete, but Rob gave an incomplete SITREP, and I have no dates, or even what your wife's name is... (Rob—IRP!!) Oh well, congrats, nonetheless.
