

Following a successful cmd in Northern Ger, **Ellen Adams** returned for a second helping of kim chi. Ellen is serving as a Bn S-2 for the 122nd Signal Bde on her second Korean tour. **Steve Odell** is also in Korea, finishing up his cmd. According to Steve, the bn cmdr just traced his name on his Oujji board and then inertia took over. Steve will be taking a HHC for his second cmd. Speaking of foreign tours, **RJ Sollohub** is cmding an OSUT unit at Ft "Lost in the Woods," MO. A wild Fri eve consists of batting cages and go-carts at the St Robbers Sports Plaza. **Laura (Kelly) & Tom Fitzpatrick** recently returned to WP. Leave it to Laura to get written up by a plainclothes MP on a bicycle for walking on the sacred grass of the Plain. You should have been over on "the Area," showing Tom where you spent most of your time. Tom recently completed his master's in urban planning and accepted a great job with the Natl Park Svc. Laura is completing her last yr at the Med Coll of VA in Richmond.

Ted & Donna needed a break after finals, so they headed to HI for a visit with **Fred & Laura Kaehler**. Fred is the cmdr of Ft Shafter's Topo Bn, while Laura maintains her 4.0 at the U of HI. On the N Shore, **Pat Mathes** and **Steve Myers** share an oceanfront bungalow. Off their back deck is some of the best scuba diving and surfing in the world. Pat is an Inf cmdr and Steve is a bn FSO in the 25th ID. Others in HI include **Chris Voisin** (Bde Chem Ofcr), **Bandon & Serena Jenkins** (getting ready to take an Avn cmd), **Brindol Sones** (Inf cmdr), Gene Griffin, Jeff Hazlewood and Dr Fletch Munter, who is a radiologist at Tripler Army Hosp. **Rick & Sandy Nieberding** are enjoying the weather and sights in HI and have run into **Marty Holland** and **Aimee (Lenz) & Kominiak**. Rick recently returned from Thailand to take cmd of an Avn bn IIIIC.

1987: Cmdr Sollohub on night watch in Rockport, MA, Jul 92

Shelia & I recently went home to Benning to celebrate the wedding of **Dan & Lisa Evans**. Classmates in attendance included **Matt & Linda Gilligan**, **TJ & Ann Moffatt**, **Kevin & Marianne Arrata** and **Dave & Carla Smith**. Shelia & I attempted to count the GA women married into our CI—and ran out of fingers and toes. Dan & Lisa returned to Ger and are settled. Matt is spending the summer at Ft Mac in Atl before completing his final yr of law sch at the U of GA as a FLEP selectee. TJ is stationed in Ger, and Kevin is an Inf cmdr at Ft Campbell. Dave is training InfLTs as an IOBC Plt trainer at Benning (frightening thought). Dave is anxiously awaiting a cmd in the 3rd Bde, 24th Inf at Benning. Dave is convinced that a cmd will

improve his golf game.

Many of our classmates are avoiding work by attending grad sch. **Mike Pratt** will start his second yr in the Duke MBA program this fall. He is working with an investment banker in NYC this summer and is willing to manage your savings for a small fee. I'll entrust him with my savings when he pays back the \$20 he borrowed in 86. I'll see you at the Army vs Duke football game, Mike. You had better sit on the right side of the stadium, and you had better have a haircut. As of the reunion, our CI had 6 mbrs attending the Wharton Business Sch at the U of PA. Somebody please call in an update on the future business ldrs of Americas. **Eric Roth** completed his first yr at UVA Law, while **Dave Garza** recently won a fellowship to UT Austin for his MBA after departing the Army in Aug. Good luck to all those back in sch.

Ralph Thompson may be the first warrant officer in the CI. Ralph is attempting to climb back into the cockpit as a reserve warrant ofcr out of Dobbins AFB. Ralph is making the transition to civ life and was exploring opportunities in the Atl area. **Joe Simonelli** and **Hugh Cate** were last seen at Ft Stewart and need to send me a postcard or pick up the phone and call. **Joe Felber** is back home in Alexandria, VA working for EDS and should be getting married soon. Former rabble rouser **Glenn Levanti** works for Oniak power generating systems in Port St Lucie, FL and enjoys the beach, which is only minutes from the house. **Andy Martinez** and **John Van Sant** were last seen at a hiring conference in Atl. Good luck with the job search and let us know where your employment takes you. **Nate Hope** was also there as a recruiter for Lucas Associates in Ad. **Kurt Greene** recently accepted a position in NY with GE. Good luck to those of you who are beginning new careers!

I last saw **John Kalainov** in Columbus, GA. He is the only guy I know that refused to study for 4 yrs at USMA, then gets serious about IOAC. John, the last I heard, you had a blind date with a Hungarian, and you were worried about your face being temporarily paralyzed. Your parents assure me that your face has healed (I beg to differ) and that you are doing a great job as a Ranger instructor somewhere in the W TX desert. Didn't you get enough of the desert when you were recycled in Ranger Sch?

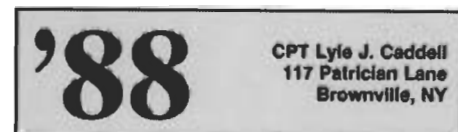

Long-lost classmate **Chip Holton** needs to give me a call. Chip and family are in Greensboro, NC, where Chip recently started a new job. **George Thompson**, give me a call! I'm taking you up on your offer of assistance. George didn't look a day over 18 at the reunion, despite a hectic schedule and a ton of frequent flyer miles (thanks to Mobile Oil). Track me down, George—I'm going to need your help with our CI fund-raising campaign.

This is the first opportunity I have had to say hello since the CI reunion last Oct. For those of you not in attendance, we had a better-than-avg turnout, due in part to the civilianization of the CI and the reduction in forces overseas. I have had the opportunity to travel to WP on 3 occasions last yr to represent the younger cls as a mbr of the Bd of Trustees. My term has expired, but I will continue to serve on the WP Fund Cmte. Our CI will begin a major fund-raising campaign in the next few mos. I will need volunteers to help with this important project. If you are interested, please contact me at the address listed at the top of this col. I will need a chm, a cmte and spt to ensure that this long-term project is a success.

Dave Smith and I attempted to compile a CI directory after the reunion, but our efforts could

not keep pace with your nomadic tendencies. We will make a second attempt at a CI directory but need your assistance. Please update your address and personal info in the *AOG Register of Grads*. We will fill in the blanks on our database using this resource. Many of you are still listed as 2LTs attending the basic course, so please send the AOG a postcard with your current position, address and phone number. Update your subscription to the *ASSEMBLY!* There will be a CI col to read from this point forward. To be included in the directory, send me your full name, spouse's name, current address, phone number and occupation. Please indicate your maiden name in parenthesis if you are a married female classmate. All address updates not received by 1 Feb 94 will revert to the address listed in the latest *Register of Grads*. Please follow this example: John & Nancy Smith; 1522 Meadows Road, Alexandria, VA; (703) 542-6385 (H), (703) 660-5000 (O); Project Engr, ABC. Or, John & CPT Nancy Smith (Johnson); Quarters 51-B, 1st Division Rd, Ft Benning, GA 31905; (706) 689-0000 (H), (706) 544-0000 (O); Transportation Co Cmdr.

Shelia & I send our best wishes to the CI and we hope you have a joyous holiday season. We departed the Army in Apr 92 and moved to Orlando, FL, where I was an opns mgr for The Coca-Cola Co. We recently moved to Charlotte, NC, where I will be responsible for a region that includes Ft Jackson, Benning, Stewart, Gordon, Bragg and Campbell. Please let me know if you are stationed at any of these posts. I would enjoy seeing you the next time I visit your town.

By the time this gets published, our reunion will have concluded. That means that lots of people should have pix and stories to tell. Please write so we can keep this col going. **Lyle** is currently being hoo-ah at Ft Benning, so I get to do the col this time. As you can tell by the above address, we have moved to Ft Drum. Don't have the phone in yet, but that will be our address by the time you read this.

1988: The Moynihans, Crusans and Sharpstens

On to more important matters....**Dave Shade '86** wrote from HI and gave me a pic of the '88 grads who attended FD at Schofield Barracks, HI: **CPT Mary Crusan**, **CPT Rich Crusan**, **CPT & Mrs Chris Sharpsten** (both grads) and **CPT & CPT Moynihan**. Sorry I don't have all the first names and cos, but my *Howitzers* are all in storage! Got

a card from **Dave Hathaway**; he was married to **Kelley Jo Davidson** on 8 Aug 93 in Oll. Congrats to you both. Also heard from **Jennifer Donnelly**, who was, at the time of her ltr, in Ansbach celebrating promotion to CPT. Pictured are **Nick Steele**, **Jennifer Donnelly**, **Brian Pulford** (GO GATORS) and **David Chapman**. Nick & Jill have a little boy, Taylor, who is the darling of Ansbach. Brian's been spending a lot of time at Hohenfels, and Jennifer is now here at Ft Drum with **Lyle** & me. Jen says she really misses touring around Europe. I think a lot of us can empathize with that!

1988: Nick Steele, Jennifer Donnelly, Brian Pulford and David Chapman

Well, that's all the ltrs I have, but I have seen a few people lately....**Mike Hawn** took co cmd here at Drum in Jun and is doing well keeping his gp of infantrymen straight. **Chris Meyer** (Siegwarth) came to visit me this wknd with husband **Rick** '87. She is finishing her PhD in economics at MIT and Rick is working for TI in the Boston area. Both are doing well and are looking forward to our reunion. On my way up to Drum, I stopped by and visited **Heidi Kras** (Kuebler). She & **Bill** are both selling drugs (don't panic, she works for Pfizer) and have settled into the Albany, NY area. **Bill & Jill** (Schweizer '89) **Boice** recently moved to the Ft Lewis area and, after much hassle, have moved into their dream home. We are awaiting a pic of the newest addition to the Boice legacy, Bethany—arguably the cutest baby girl around.

Well, that's about all for now. **Lyle** should be back next time—and it's a good thing, since he's funnier than I am. Keep writing!

Greetings to all '89'ers. I hope the wind is at your back, the road rises to meet you, and many have pinned on by now. How does that song go? "In the Army there's sobriety (not) promotion's very slow/ we'll sing our reminiscences of Benny Havens, oh."

Amy (Munson) Anderson says hello to all, espec the girls from HAPPY-2. Amy married a fellow MP named **Brad** whom she met in Honduras in 91. Both Andersons are out now, living in MO and in the Guard. Amy teaches math and science (MSE) at Webb City. They also have a daughter, Ashley Ray, born 10 Mar 93. Amy tells of **Steve & Lori (Hess) Tompos**, who are also out, living in OH and working on master's degrees. **Willi & Chriss (Chavez) Horton** are at Ft McClellan, where Chriss is in OAC. As for the other H-2 girls,

1989: Piantanida, Cruser, Pak, Mathis, Patterson, Fewell and Crosland grad from med sch

Speaking of a pic of the family, here is one of the CI "Docs." CPT **Telita Crosland** writes that they grad from USUHS in Jun 93. **Nick Piantanida** will be a surgeon at Tripler AMC in HI (hardship tour). **Dan Cruser** will be a surgeon at Eisenhower AMC, Ft Gordon. **Hon Pak** is a transitional at Walter Reed. **Doug Mathis** is with medicine at Eisenhower AMC, Ft Gordon. **George Patterson** is in family practice, also at Eisenhower. **Heather (Brannon) Fewell** is in family practice at Womack AMC, Ft Bragg. And **Telita** is in family practice at Eisenhower AMC. (By the way, **Telita** asked me to tell **Mark Jennings** that since she is the ranking CPT in '89, she is the new First CPT...Just kidding, Mark, calm down.) Thank you for the SITREP, **Telita**— however, your handwriting is getting messy already!!

1989: The Voice with the former VP

Nate "The Voice" LaMar is back on the campaign trail. Currently our CI secy is traveling and seeing some cronies. Nate rep that, in TX, he saw **Cowart & Jill Misenheimer** and **Doug Misenko** at Ft Hood. He also bumped into **Lars Danner**, who is in UT Law Sch (Remember, "we strengthen the Bar"). Nate has received postcards from **John "Bits" Conboy**, who is still foot-touring Europe, most recently in Istanbul. However, many believe Bits is still searching for the heel he lost in Panama! **Dave Warsaw** is partying at MIOAC, a/k/a MCOO PART II. **Bob & Jennifer Boyer** are at EOAC in MO. Oh yeah, Nate also sends this pic for Dan Quayle's return to IN.

Finally, **Nate** writes that **Chris Gerig** married **Kristina Borovicka** in Bayside, NY on 1 May 93. Congrats to the Gerigs and thanks for the detailed intel.

Received a ltr from Mr Roger Wycoff, father of **Ann Marie Wycoff**. She is at Ft Stewart after returning from USAEUR. She married a mil guy (sorry, no name given) and still is swimming. Mr Wycoff says hello to all '89'ers.

John & Buntajit Tonra send their best from NY. They were recently in Thailand to visit her folks. Now they are setting up an import business; also, **Wedge** is working
