To make info submission easier, we have incl a fax no for everyone's convenience. We've also had an address change. Our new house puts us 25 minutes from 4 major ski areas, so if you don't feel like writing or faxing us, drop by for some skiing.

What an Army-Navy game! I knew all along the Navy smackhead would miss the FG (not!). Actually, I watched the game from the beaches of Eglin AFB, FL where I was attending AGOS. What a life. Sipping Mai Tais, 8-hr workdays, conference calling on portable phones...I'm not sure the Corps has, but the USAF sure has!

Joining me on the "hardship tour" were **Al Acba**, **Marshall Cain**, **George Sarahia** and **Troy Perry**. George will be at Hood with Troy & Paula Perry. Al met **Juvy** and son **Darrin** in Washington before departing for Korea. **Marshall & Janet Cain** are headed to Ft Bragg. Meanwhile, from the so-called Mecca of Ft Bragg, **Dave Warshaw** sends greetings. Shak is with 525 MI Bde. He has seen **Kevin Dice** at 3-73d AR. Dave stopped at Hood en route from MIOAC to visit former room-dog **Todd Winklebauer**, then attended a promotion party at Benning which incl: **Rich Demaree**, **Jason Walrath**, **Brett Jenkinson**, **Vince Malone** and **Frank Sanders**. Go Bandits!
