

Pat's team took the volleyball championship in a double-upset victory over Lynn's team. Needless to say, it took more than a few beers to get these two to talk to ea other.....Also got a call from **Mike Gajewski**. "Ski" is flying Mohawks after doing a fixed-wing transition last yr. Since going fixed wing, "Ski" has been on one TDY boondoggle after another. His latest is two-a-wk TDY flights to Port-au-Prince while he is based out of somewhere in FL. Don't I recall that your last boondoggle had something to do with 3-hr lunches and sand volleyball in Ger? Ski definitely has a way of finding the right asgmts.

Fred & Laura Kaehler passed through UT during their PCS move to the mainland from HI. They are both pursuing master's degrees at Univ of Illinois. Fred already was spntg the sch with a complete wardrobe of Illini sportswear.

Well folks, that about wraps it up. I guess it wouldn't be a clean wrap-up without a couple of announcements. The WPS of NY wants to let you New Yorkers know that they provide a great networking opportunity. If you are interested, give us a call and we'll send you the info on joining. Or better yet call **Peter Stark '89**, mbrship co-chair (212-595-1666). For those of you who aren't involved with your local WPS, you can get info and the pres' name and tel by writing to AOG or tapping into AOG's new EBBS. Last call for subscribing to the *ASSEMBLY*. At last tally, only 26% of '87 subscribed to this fine publication. Quit lending your copy to friends and get them to ante up.

Hello to all '88ers. So sorry about last issue--just missed the deadline! Lyle once again has gone to great lengths to get me to do his article for him. This time he said he had to go to Haiti. Can you believe the lengths he will go to?! At any rate our thoughts and prayers are with all who are deployed and away from their loved ones. Got quite a few ltrs for you all this time. Once again **Don Fraser '70** has spotted some of our published classmates. **George Salerno** made the May-Jun edition of *Armor* with "Is Well Rounded Actually Better?" where he explores the idea that specialization for others is probably a better idea than attempting to make them experts at everything. **Phil Krichilsky (I-BEAM)** was also published in *Armor*, the Mar-Apr edition. His article, "The Army Field Feeding System--No More Nightmares," explains how the Army has simplified its field feeding system with the new AFFS system. Thanks again, Don, for sending these in.

Next we hear from Harvard. **Michael Edleson '79** rep that **Dave Ehlis** (one of his students both at Harvard and at WP) just completed his first yr at Harvard Business Sch, where he received First Yr Honors. He will receive his MBA in Jun. Congrats, Dave!

Also received a pic from **Joe McMillen**. He saw this guy in CA on vacation and stopped because he looked familiar. Joe isn't sure who he is, but the guy claimed to be **Kevin Klutz**. Said he was an

entrepreneur making \$80+/hr. Can anyone give a positive ID?

Korea is the next place rep from. **Jeff Toomer** rep a great FD turnout. They had quite a rowdy bunch there--from the looks of those pictured below, is anyone surprised? He rep that **Eric Kurilla**, **Dan Walrath**, **Brian Mennes** and **Jeff Martindale** are in cmd. Also, **Dave Overton** is cmdg in 1-15 FA. Jeff himself is on Div staff in 2ID and hopes to return to the 82nd in Jan. Thanks, Jeff--and please tell all the others to drop us a line. We figured they had dropped off the face of the earth. You all know who you are!!

1988: Founders Day in Korea--what a rowdy bunch!

Good news on the baby front. **Tyler Randolph** (formerly **Greg Cox G2**) & **Tracey** are the proud parents of a beautiful baby girl, **Addison Marie**. Congrats to you both! How about a pic of you with the baby?

1988: Bill & Maria Beitzel

From Ger we hear from **Bill Beitzel**. He & **Maria** are out of the Army and living and working in Ger for a German engrg consulting firm. **Terry & Nancy Harshfield** came to visit him in Jul. Terry is working for Honeywell running their tech assistance ctr.

Matt & Anita Schnaidt (I-BEAM) also came to visit the Beitzels. The Schnaidts are at Knox now and in cmd. He rep that **Paul & Dani Cimino** are living in Lansing, MI, where Paul is going to law sch and his wife to vet sch. **Pete & Renee Stoneham** are living in CA, where he works for Centas Uniforms. Lastly, **Jack Painter** is at Ft Stewart. Thanks for all the input. **Bill & Maria!**

1988: Lisa (Cornell) Letarte with dog Max and kids Jessica (4) and Matthew (2)

Next I am embarrassed to discover two misplaced ltrs. They are almost a yr old, but the pix are great, so, late or not, here I go. **Lisa (Cornell) Letarte** writes from Ft Lewis. Her husband **John Letarte** is still in the Army while Lisa is (was?) in her last yr of law sch at the U of Puget Sound. As you can see, they have two beautiful kids, **Jessica (5)** and **Matthew (3)**. Lisa should be practicing labor law and litigation in Grand Rapids, MI if all went as planned. **Mark & Karen (Burgin) McLaughlin** are also in the Seattle area, where Karen works as a mgr for Puget Power and Mark is going to law sch with Lisa. He has accepted an offer to work in CA doing intellectual property work. Hey, Mark, how about a note explaining exactly what the heck that is? She also confirms that **Paul Cimino** is going to law sch in MI. How about a note from you too, Paul, since everyone else keeps writing about you? Also a message for **Liz (Halford) Nolan**--write Lisa or else!! Even as late as this is, yes Lisa, I promise you'll get your pic back. Sorry for the delay.

1988: Jennifer Donnelly and Mary (Devoe) Sawyer at '88 reunion

And another oldie is from **Jennifer Donnelly** right here at Fort Drum with us. (Jen, you should have called and yelled at us!!) She sent some post-reunion pix. One is of Jen and **Mary (Devoe) Sawyer**. **Mary & Tom '86** are living in NH and have a little baby. Apparently, she had some lovely pix to show off to everyone. Congrats to them. Jen currently cmd's B Co 210th FSB here at Ft Drum; we are awaiting a wedding pic from her! She wanted to pass on kudos to **Scott Snair** & his wife for doing a great job organizing our reunion. I think everyone did appreciate it!

The last ltr received was an epistle from **Dave Anderson**. Sorry Dave, I'm out of room but PROMISE to get the whole thing in next go-around. Thanks to all who wrote. Take care, everyone, and hope you enjoyed the holidays!
