Tom Roth recently transitioned from the battle staff O/C to the Engineer staff O/C at the CMTC in Hohenfels. Dan & **Lisa** are also expecting this summer.

FD in DC was attended by a few gray hogs, but many living in the nation's capital were notably absent. Those who enjoyed the festivities were **Clarence Jones** and his dad, **Bernie Banks**, **Sam Ligo** (up from Charlottesville), **Mike & Trish Francesconi**, **Rob Estes**, and **Bill Saunders** & his bride.

Got another note from Don Frazer, '70 scribe. He sent along a copy of an article co-written by **John Nagl** entitled "Training a Divisional Cavalry Squadron for Operations Other Than War (OOTW)."

We just got our 1st notice for our 10-year reunion. It sure doesn't seem like it's been that long, but it's just around the corner. Only about 30% of our classmates subscribe to *ASSEMBLY*. While we, of course, would like to see that increase, our concern now is that a lot of those who don't subscribe don't get any AOG info because we don't have a good address for them. In your contact with any classmates, remind them to give AOG a call with their current address. The number is 800 232-4723 ext. 145 or 144 (Tammy Flint and Mickey Davis, respectively). That way

when all the reunion info really begins to come in, they will be "in the loop."

◀ 1988—FT. MONMOUTH FD—Scott & Lisa Strine.

Received a call from an old friend of **Jan Lockart** who is trying to reach her. If anyone is in contact with her, please call us so we can pass on her address.

Send in those FD photos and identify who's in them. The older we all get, the harder it is for us to remember and recognize faces from WP days! (Include their names in your letter or on a post-it attached to the photo. Please don't write on the back of the photo—the ink smudges from one photo to another.) Keep writing and take care.
