two years at McClellan, the Skibickis should be arriving any day now at Ft. Stewart to work AC/RC from the 2d Infantry Training Battalion.

George Glaze recently reported that he proudly discovered the Internet, and was surprised to find that more than 400 classmates had found it before him. In his own words, "I'm on the Internet a week and I find everyone else already there." George is at Ft. Polk in the infantry. In his spare time (when he is not spending time with his new hobby web-surfing), he has been picking up his master's from Central Michigan U. For those of you who haven't checked into the Class of '87 homepage lately, I think you would be quite impressed. The page includes reunion information, WP news, and information on the 400+ members of the class who are sharing e-mail.

A long lost A-3 Armadillo, **Paul Britton**, "surfaced" in New Hampshire. Paul reports that he has been bouncing around the country the last few years due to transfers, promotions, and new jobs. In the last 6 years, he has lived in Ohio, Tennessee, Massachusetts, and now New Hampshire. He is currently selling high-speed Internet access to businesses in the Boston area.

What column would be complete without the latest "Baby News?" **Mark & Melanie Vilardi** have sent word of a new baby girl. Emily Marie Vilardi was born on 25 Feb in Syracuse, NY. She weighed in at 7 lbs. 8 oz. with a length of 20 in.

John Crino checked in to announce the birth of his baby boy "Jack." He was born on 15 Mar and is the Crinos' 2d child. He is currently living in DC,

so if any D-1 Ducks or old friends are in the area, please give him a call at 703 794-0469.

Jeff & Laurie Anne Huising had a baby girl, Stephanie LeeAnne, on 18 Mar. She weighed in at 7 lbs. 5 oz. and 20 inches. Jeff reported that mom and baby were doing fine.

The month of April found **Steve Shea** announcing the birth of his second child, Kelly Melissa. She was born on 15 Apr weighing in at 7 lbs. 2 oz.

Baby news wraps up with congratulations to the Perrellis. **Richard & Yoochung Lee Perrelli** announced the birth of their first son, Holden Lee Perrelli (7.9 lbs.) on 25 Apr, in Oujungbu, South Korea. Richard met his wife before he left the service and is now an officer in Citibank in Seoul.

Reunion countdown is 3 and a butt months. Hopefully everyone has been kept in the loop on reunion news through both the class homepage (the homepage has moved to the address above) and the mailing that we've sent out. If not, pick up the phone and call. We are looking forward to a great weekend in October and we hope all of you have the weekend marked on your calendar. Until next time, take care and keep in touch!

Matt Sebenoler sent an e-mail that covers almost half the class. Matt is out and working for USPA/IRA. He & his wife **Kim (Seminiano '89)** are in Germany, where she just completed command of the 38th ENG CO (MGB) after a tour in Bosnia. **Jeff Morgan** is in med school and **Nancy, Whit, and Tara** are looking forward to calling

Lewis. Thanks for the info, Matt.

1988—The Busby's—Dena & Troy with Bailey, Jilly, and Gail.

1988—Manion and Klatt in the Windy City.

Matt asked me to thank a lost friend for him in his letter, but after reading it a dozen or so times I decided that I could not adequately express the feelings that Matt had put on paper so I'll let Matt do that for himself. "I don't know if you remember our classmate **Brian Paarmann**. I

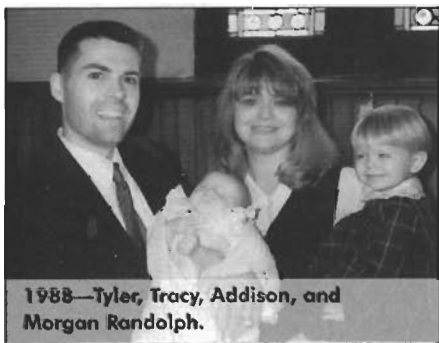

have been trying to thank him for helping me many moons ago, but I have never been able to find him. Here is the story: I went to Ranger school in Class 89-4 and like everyone I was in pretty bad shape throughout the ordeal and can honestly say that the only reason I made it was because Brian was my Ranger buddy and 'carried' me when I needed it. We worked together as I guess you're supposed to and I never got to thank him for sharing his food, body heat, blood, sweat, and tears, much less got to say

good-bye when we pinned on our tabs. It would mean a lot to me if you could write a little something about this and thank him for me in our column. Hopefully, he would see it."

Lisa Strine sent a photo of their last Army-Navy celebration at COL Anderson's home. Lisa, Scott, Stephanie (who took the photo), and Kaitlyn are living in the White Plains area where Scott works for Pfizer. Dave Anderson is a district manager living in Buffalo. Tyler Lee Randolph dropped a holiday photo, a sort of before shot of the mandatory cross country extended family holiday visit. I am still waiting for the "after" photo.

1988—Tyler, Tracy, Addison, and Morgan Randolph.

Bill Beitzel sent a note and a photo of his youngest, Christian Ludwig. Looks just like his dad, doesn't he? Bill, Maria, and family are living in Great Yarmouth, England, where he works for Tenneco. Bill reports that Franz Huber (also working for Tenneco) and his family Kristina and little Jakob are living in Hamburg, Germany. Paul Cimino has finished his law degree and passed the bar. He & his wife Dani are in Lansing, MI, where she is finishing up vet school. Jose Gomez got his green card (congrats) and is

working as a CE in New York. Ben Chu is married to Mary and living in Phoenix, AZ, as a manager for AMEX.

Steve Hart and family (Chris, Joanna, and Ian) are now at Virginia Tech studying CE and will soon be off to WP. They are looking forward to transitions out of the mansion they currently live in to "P" housing at Woops.

Thanks for the

time. Keep writing.

Greetings to all who Strengthen the Line. Hope this column finds everyone in good health and enjoying life.

Received a great phone call from Frank Brunner in March. Frank was elected to Manatee County School Board in Bradenton, FL, in November 1996. He also is a regional manager for Core Holdings Automotive Parts out of Orlando. I must say, it was great to hear from you, Frank, on our romp of who's where!

Frank reports Rob Holmes married his sweetheart from Ft. Stewart and now lives in South Carolina as a director of a holding company for NCA. Jeff Methvin is currently going through FBI OBC (or whatever they call it). Bill Montgomery works for a computer firm called Hitachi PC in California and enjoys the sun and surf. Frank invites anyone to call him at 800 621-7570. Thanks, Frank, and take care!

During CAS³, I picked up the following bits of info—Keith Thompson won an Army scholarship to attend med school. Joe Lopes is at SUNY Syracuse for med school. Randy Batson got out and works in the Atlanta area. Ed Hlopak works for an engineer firm near Houston. Rob Alt is cdr. of a Blackhawk Co. at Campbell. Other '89ers I saw at Ft. Leavenworth—Bill Lynch, Charlie Walls, Doug Delancey, Doug Pederson, Jon Seamon, Tom Jarzen, Rich Pannell, Jim Merlo, Jim Barren, Andy Lohman, and Kevin Gullick. Since most were busy competing for the prestigious Honor Grad, I mostly saw Bill Lynch (with

whom I played many a round of golf), Tom Jarzen (who I always saw in the commissary), and Kevin Gullick (who ate a Fred Flintstone sized rack of ribs at High Noon Saloon). Fellas, it was great to see y'all again. I hope our trails meet again, and may Kansas City *always* be so refreshing a getaway!

Marna, Joseph, and I have put up our last horse with 3d ACR and Ft. Carson. Now, we're enjoying the Ozarks, and I am an O/C at Ft. Chaffee for the Guard (*note the new address above*). Oh, boy, the only cavalryman in an Infantry battalion. I hope my liver survives!

GRIPES AND RUMORS. I heard Greg Softy made *Culinary Review* with a steak marinade aptly called the Serenade. . . . They say Eric Miller has opened up his own tourist firm in Redlands, CA. So far, he is the lone tour guide, but he asserts that he'll make it big. . . . Brian "Sweet Lou" Reed is said to soon be a leadership "P" back at WP; he has been working on his master's thesis entitled, "How to Succeed on the Area Without Really Trying." . . . Sportscenter recently profiled Frank Brunner, who allegedly finished the LA Marathon in the top 100.

Best wishes to all, please drop us a line—I'll put your name in print and make you famous. Scouts Out, Garry Owen, We Strengthen the Line!

Greetings, classmates! John DeVine and I started orthopedic surgery residencies at Madigan Army Medical Center on 1 Jul, so it may be a bad time to break your leg at Ft. Lewis. Those of you stationed in the Pacific Northwest, look us up.

Mike & Jennifer Mazur wrote in from Wallingford, CT. Mike was promoted to industrial hospital rep for Pfizer Pharmaceuticals. Pictured is their son Grayden John, born on 18 Jun 96.
