

these officers who will serve a ten-year term from 1 May 04 to May 2014. We want to acknowledge everyone who ran for an office to include: **Joe Simonelli**, **Joe Pollheim**, and **Lisa Steptoe**. We appreciate your desire to serve the class. Many thanks to all of you who took the time to vote. About 40% of the class voted through the web. While that may not seem like a lot, I can assure you that it is an impressive number. I work with higher education and I know that many universities would be happy to have good addresses for 40% of a graduating class, let alone get 40% to vote in an election. For the final tallies, feel free to visit: <[www.west-point.org/class/usma1987](http://www.west-point.org/class/usma1987)>.

Until next time. Our Country We Strengthen.

**Scott Snair** sent out an e-mail flash last month describing some of the philanthropic efforts of one of our classmates, **David Kim**, for a very worthy cause. I have included Scott's e-mail below.

Our classmate **David Kim** has put together a scholarship fund for the children of fallen veterans. Along with several other USMA and USNA grads, David recently started a scholarship fund called the Children of Fallen Patriots Foundation (CFPF). CFPF's mission is to provide college scholarships to the children of military personnel from all branches—Army, Air Force, Navy, Marines, and Coast Guard—who were killed in the line of duty, whether in training or combat. CFPF hopes to complement the efforts of the many other military related charities to ensure that all of the college educational needs of eligible children are met. David is asking for your assistance in locating such children, particularly those who are in college now or who will be enrolling in the fall. As you might know, Privacy Act considerations make it difficult to receive information through official channels. CFPF has con-

siderable funds to distribute and David is trying to locate beneficiaries. Anyone with information or questions is welcome to contact David at his office at 203 708-6615 or via e-mail at <[dkim@skmequity.com](mailto:dkim@skmequity.com)>. As David offers: "Thank you in advance for your help in this matter and God bless all of our classmates, as well as their families, who are serving in harm's way."

**Bill Porter**, along with **Scott**, **Lisa Strine**, and **Matt Sebonoler** are working on the Class Gift. They have created <[www.usma88.com](http://www.usma88.com)> to help receive donations.

Congratulations to **Todd Hecker** and his wife. They are the proud parents of little Jack Hecker. Thanks to **Dave Leek** for sending photos. God bless and keep writing.

Greetings to all those who Strengthen the Line from the heights of Uijongbu and the Second to None Division! Well wishes to all as life continues through ever-changing times. I hope this finds you well and keeping the faith.

**Jim "Quill" Walton** checked in from the Pentagon, where he works in G-3. Jim completed an MBA in all his spare time last year (not bad, as Jim writes, for a three-time STAPper) and is a member of a skydiving team that placed fourth nationally. Quill is a member of another skydiving group that broke the world record for largest canopy formation; he also was one of the few skydivers who jumped into Kitty Hawk, NC, at the Centennial of Flight Celebration in December 2003. While not jumping out of planes, Jim married **Sarah Moschler** on 26 Jun 04 in Richmond, VA. Congratulations to Jim & Susan! Now talk about a small world... Jim's brother-in-law is a colonel in the USMC, stationed in Seoul in the C/J-3. He also is my new boss as I bid farewell to 2 ID after four years.

1989—Jim "Quill" Walton.

1989—Jim Walton and the world record canopy jump.

**Ian & Susan Moran** send their best to all '89ers from Lexington, KY, where they moved last year from Maryland. They had a second daughter, Irene McKay, on 17 Jun 03. Anne Marshall (11) is very proud of her baby sister. In the meantime, Ian works for Cintas Corp and Susan is a professor at the University of Kentucky (not sure what subject). They have a guestroom and are open for visitors <[moraninse@aol.com](mailto:moraninse@aol.com)>. Thanks for the update, Ian & Susan. Congratulations on the new arrival; send us some photos.

Remember that our Homecoming and 15-Year Reunion date are set for 7–10 Oct 04. The site for our class lodgings will be the Park Ridge Marriott in Park Ridge, NJ. Please check out the class website where **Warren Hearnese** dutifully keeps us updated on all class events.

**Gripes & Rumors.** **Jim Lynch** is rumored to have accepted a coaching job of a high school football team. While not quite a *Remember the Titans* story, it has the beginnings of a "Remember the Earth Pigs" ring to it. Jim would not comment, but word has it that he may be bringing in **Troy Faber** as an assistant coach. Meanwhile, **Mike Klein** has reputedly begun a car rental business. So far, the Klein-dog is racking up some good coin, targeting the business travelers. Supposedly, the flagship vehicle is none other than a repo white Mercury Cougar. (Some albatrosses will just never leave.) Finally, the latest word is that **Donna Johansen** is on the way back to USMA to be a Mil Art P. Harkening back to great staff rides of yore, Donna volunteered to be the faculty advisor for the Gettysburg trip—especially ensuring that the underage keep out of the nightclubs.

Scouts Out & Second to None! All the best to you and your families from **Ky-ung & me**. The Class of '89 rocks on. We Strengthen the Line!

—Doug
